"Be Wise Today"

"Take care of your job, be worth more on your job than you receive pay for. Save SOME money out of each check. Put it in the bank, and add to it. Buy what you need and pay cash as you buy. Owe no man.

"Times are getting better, not worse.

"DON'T ASK FOR A LOAN. NO CREDIT. Use what you have got. I have to stretch my money, try to stretch yours. We both can't go down together. Be wise."

RECESSIONAL

"If any little word of mine
May make life the brighter;
If any little song of mine
May make the heart lighter—
God help me speak the little word,
And take my bit of singing
And drop into some lonely vale
To set the echoes ringing.

"If any little love of mine
May make a life the sweeter;
If any little care of mine
May make a friend's the fleeter;
If any strength of mine may ease
The burden of another—
God give me love, and care, and strength
To help my toiling brother."
